(20) Reference para 13 supra.

M.S. Gopalakrishna was appointed according to rules against a sanctioned General vacancy (No.2021/27-28) of a clerk on Rs.20/- in the Government Central Book Depot in a temporary establishment the continuance of which was sanctioned by Govt. year after year. He continued in the appointment from 23-7-1928 to 30-6-1931 when the temporary establishment was discontinued, as there was no need for it but not due to retrenchment. But the Director of Public Instruction had reported then the name of Gopalakrishna as a thrownout official due to retrenchment and the discrepancies have been now explained by him.

(21) After Gopalkrishna was thrownout, he was unemployed for 12 days (1st to 12th July 1931) and afterwards he was continued by the D.P.I. in a privilege leave vacancy from 13th July to 8th September 1931 and then from 9th Septr. 1931 in a consequential vacancy on Rs.20/- caused by the retirement of the Manager of the Depot. This last appointment which was not made under the rules and which was irregular was however approved by Government till final orders were passed on the reorganisation of the Depot.

(22) Owing to the abolition of certain posts in the reorganisation of the Depot, Gopalakrishna was thrownout of employment in September 1932. As the D.P.I. had already reported the name of Gopalakrishna as a thrownout official due to retrenchment and as he was again thrownout from his last appointment which was due to retrenchment, he was ordered to be absorbed in a General vacancy of

a second grade clerk on Rs.25-2½-50 in the State Life Insurance office. The Secretary, Insurance committee has reported that Gopalakrishna was not a permanent employee in the Depot, etc, and has requested for the reasons assigned that this thrownout official may be provided elsewhere -- leaving the vacancy in his office for being filled up in the usual course. × P.U.

(23) In this connection, it may be said that Gopalakrishna has put in on the whole a service of nearly four years in the Depot (from 23-7-1928 to 26-9-1932) with 12 days' break in the middle as stated above and that, though he was thrown-out from his original appointment in the usual course, the cessation of his last appointment was due to retrenchment as explained above. His qualifications are S.S.L.C. & U.E. course, Typewriting (Junior), Book-keeping, Auditing and commercial correspondence and he is therefore fully qualified for the appointment of a second grade clerk in the Insurance office. Under the existing rules temporary officials thrownout of employment on account of retrenchment after two years' service have to be absorbed in suitable vacancies. In the circumstances ~~the proposal of the Secretary, Life Insurance Committee is for ordering to Cancel~~ our order of appointment of this person in the General Vacancy (passed in Oct 1932) would be fairly in order & be justified in the circs & there seem no such grounds as to call for its cancellation now, as proposed by the Secy, L.I. Committee. We may be inf. that the order, already passed & communicated may kindly be taken as final & given effect to. × L. × M. × P.U.D.

With reference to your letter No.2774/C.R.B. 5-32-; October 1932 stating that it is the desire of the Government that the vacancy for which "A" statement was sent with this office letter No. 5675 dated 28-9-32 should be utilised for the absorption of one M.S. There is no post vacant in this office, the pay of which corresponds to that of the official when he was thrown out--Vide instruction No.(a) of the Government Order No.941-1040-C.R.B. 5-31-1 dated 18-8-31. There are moreover, a number of Ordinary Graduates and Double Graduates who have put in temporary service in this office on Rs.25/- per month for months and have gained much experience in the work.

In the interest of work and of these highly qualified officials who would stand a chance of successfully applying for the post if it should be advertised, I have the honor to request that the matter may kindly be reconsidered and this person ordered to be provided for elsewhere. The

SIR,

With reference to your letter No. 5936/CRB dated 17th April 1933 enquiring whether the discontinuance from 1st July 1931 of the temporary establishment of the Government Central Book Depot in which M.S.Gopalakrishna was appointed through the Central Recruitment Board was due to retrenchment and if it was not, why the said Gopalakrishna was reported to be an official thrown out of employment due to retrenchment, I have the honor to state that the discontinuance of the temporary establishment was not due to retrenchment but its continuance from 1st July 1931 onwards was not recommended as there was no need for it in view of the impending transfer of certain number of books and of a large volume of transactions in these books to the Bangalore Press.

The report that Gopalakrishna was an official thrown out of employment due to retrenchment was evidently meant to show that he was an official who was working long in a temporary establishment and who was thrown out of employment on account of the discontinuance of the temporary establishment.

I have the honor to be,
